

Siddhanta Chandra

Kolkata, India — iamsiddhanta.10@gmail.com — (+91) 62893 38460 — LinkedIn — Website

OBJECTIVE

Full Stack Developer with experience building modern web applications using React, Next.js, NestJS and PostgreSQL. Passionate about developing scalable, secure, and user-focused solutions while taking ownership of features throughout the development life-cycle.

EXPERIENCE

Frontend Developer Intern

(Onlybees Pvt. Ltd., Feb 2026 - Present)

React.js, TypeScript, NestJS, PostgreSQL, Tailwind CSS

- Develop reusable React components used across multiple application modules, improving development consistency and reducing duplicate UI implementation.
- Implemented TanStack Query caching, background refetching, and query invalidation strategies, reducing redundant API requests and improving application responsiveness across multiple user workflows.
- Develop and maintain REST APIs and business logic modules using NestJS, TypeScript and PostgreSQL.
- Owned backend implementation for multiple product features, designing endpoints, implementing business logic and supporting production deployments.

Frontend Developer (Freelance)

(CricketWinner LLC, June 2021 - Dec 2022)

ReactJS, React Query, SCSS, Bootstrap

- Designed responsive, accessible, and visually appealing user interfaces using React.js and SCSS.
- Implemented React Query caching and query management, reducing redundant API requests and improving application responsiveness.
- Optimized website performance by reducing render-blocking resources and improving asset loading times by 0.89 seconds.

PROJECTS

Vaultigo Password Manager

GitHub

Next.js, Supabase, Crypto-JS, FastAPI

A zero-knowledge password management application that features client-side encryption and secure storage. Built to provide users with a secure way to store and retrieve sensitive credentials while ensuring data never leave their device unencrypted.

Entertainment Journalist Portfolio

GitHub — Live Website

Next.js, React, Tailwind CSS, Framer Motion

A modern and responsive portfolio website showcasing journalism articles and content writing samples for an entertainment journalist. Features dynamic content management, SEO optimization and interactive user experience with smooth animations and theme switching capabilities.

Industrial Training: Azure DevOps from Employability Life

Led a comprehensive enterprise migration to consolidate fragmented project management tools (Jira, Trello, Excel) into Azure DevOps Services. Implemented end-to-end containerized deployment pipeline with automated CI/CD workflows.

EDUCATION

Masters Of Computer Application

Sister Nivedita University, Kolkata (2024 - 2026)

CGPA: 7.39

Bachelors of Computer Application

University of Engineering and Management, Kolkata (2021 - 2024)

CGPA: 9.03
